

Volunteer Driver for Circles of Support

We need volunteers who are willing to offer lifts to older people who have some memory loss and who need a trusted person to bring them to social activities provided by MAECare.

We are looking for people who may be free to offer lifts on one or more of the following days- Tuesday morning, Thursday and occasional Fridays.

Do you own your own car, are you a friendly and patient person and would you be available once a week, once each fortnight or once a month to help out?

We offer you training and ongoing support, cover your mileage expenses and can advise on insurance issues if necessary.

You would be introduced to the person or people who you will offer transport to and given clear instructions about each person's own personal circumstances. Our specialist worker can offer regular guidance on working with people who have memory loss.

If you are interested in supporting us as a volunteer please contact Rebecca or Rhonda on 0113 2660371 or email rebecca@maecare.org.uk or rhonda@maecare.org.uk
