

Knitting Group Support Volunteer

We are looking for new volunteers who can help with a knit and natter group on Thursday afternoons between 1.45 and 4 pm. The sessions are held at the MAECare activity room. You do not have to be a proficient knitter although if you enjoy knitting this is an ideal opportunity to pass on your skills to others. Part of your role will be to help the less confident members of the group to participate and interact with others. The aim of the group is to support social activity and prevent social isolation.

Responsible/Accountable to: Staff member organizing the group

Main tasks include:

- Socialising with service users and ensuring that they are enjoying the session
- Help attendees with their knitting or other craft activity
- Helping to prepare and serve refreshments
- Supporting the new and or less confident members to be involved in the group activity
- Being aware of and agreeing to work within MAECare policies and procedures.

*If you can drive and are willing to offer a lift to attendees of this group we would welcome your application to become a volunteer driver

If you are interested in this volunteering opportunity
