

Moor Allerton Elderly Care
Wishes to recruit

Two Project Workers 25-30 hours a week
For the Making a Match project
(Salary £23,140 pro rata)

Reference number MA 102

This project is funded by The Big Lottery Fund through the National Lottery

This is an exciting and innovative project to match socially isolated older people with like-minded people to develop their social networks and reduce their isolation. It starts with people interests as a basis for friendship. It is based on a peer support model.

The project will be built on the needs of older people and the project workers will be expected to work at evenings and weekends as much as during the week.

The project workers will be based at either MAECare or OPAL and will be actively involved in monitoring and evaluation.

This project has three years of funding until March 2021.

The closing date is Wednesday 25th April 5.00 pm.

Interviews will be held on Wednesday 9th May.

For an application pack please contact MAECare on office telephone no 0113 266 0371
