

Moor Allerton Eldery Care (MAECare)

Wishes to recruit

A New Manager

(Salary: £34,000 p.a.)

Closing Date: 26/04/2018

Reference: MA 101

37 hours per week

MAECare is one of the highly acclaimed Neighbourhood Network Schemes in Leeds and works with older people living in the area of Moor Allerton and Shadwell. It has 11 staff and approximately 120 volunteers working together to provide a range of services and activities. MAECare activities are aimed at alleviating social isolation and promoting independence and are particularly appropriate for those with memory loss. It delivers activities across the area that range from Creative Writing to Zumba Gold and support the development of healthy physical and mental well-being. It also has a training and support scheme for its many volunteers.

WE NEED.....

An experienced Manager (37 hours per week) to replace the existing post-holder.

We expect the new Manager will have a commitment to the needs of older people and will have the experience to find new ways of meeting those needs, and others that might emerge in the future. The right person will be able to take existing work on board, and will monitor and evaluate its success, but they will also be able to build on the Project's success and take it forward.

This is a permanent post.

The closing date in Wednesday 25th April at 5.00 pm

Interviews will be held on 23rd May.
